

NFFS Digest Balsa Weight Chart

The following Chart has been shamelessly lifted from Carl Bakay's Southern Louisiana Indoor Modeling Journal, who in turn lifted it from a long ago NFFS Digest. The chart was originally submitted to NFFS by John Ferrer. A handy thing to have hanging over the workbench.

Note: for 2" wide stock, weigh and multiply by 2, then use 4" wide data

				EQUIVALENT SIZES					
<u>1/64X3</u>	<u>1/64X4</u>	<u>1/32X3</u>	<u>1/32X4</u>	<u>1/16X3</u>	<u>1/16X4</u>	<u>3/32X3</u>	<u>3/32X4</u>	<u>18X4</u>	
1/8X3/8	1/4 SQ	1/8X1/4(3)	1/4X1/2	1/8X1/2(3)	1/4X1	3/16SQ(8)	3/8X1	1/2X1	
3/16X1/4		3/16X1/2		1/4X3/4	1/2SQ	3/8X3/4	1/2X3/4		
1/8SQ		1/4X3/8		3/8X1/2		3/8SQ(2)
